FOOD	DECOR	SERVICE	COST
26	16	22	\$37

Hideo Yamashiro's West LA establishment is a "true foodie's spot" serving "consistently creative", "excellent" French-Japanese small plates that allow you to "taste the range of his creativity"; you can "watch the chef" at work in the open kitchen that dominates the "hip", yet "narrow" space, and while the service is "professional and competent", surveyors who stand on ceremony feel the atmosphere is "more casual than it needs to be."
